Martha Federici	Term Expires 1984

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Milford:

The Board of Selectmen, together with other Town boards and officials, continued to further the Town's commitment to develop industrial land with the transfer of 75 acres to the Fafard Companies, thereby enabling the developer to offer buyers access from Route 85 in addition to the access from Route 16. The Board is confident that development of the 300 acre "Granite Park" will greatly strengthen Milford's tax base and provide a number of jobs to area residents.

Milford's industrial development in the Bear Hill section where Data General recently located a major facility was also marked by progress in fiscal 1982 with the Town's receipt of a \$450,000 grant from the Executive Office of Transportation and Construction. These monies are earmarked for the design and construction of a 3,200 linear foot industrial access road from Route 109 to Beaver Street.

During the past year the Selectmen also worked closely with the Police Chief and his department in implementing many of the recommendations in the Police Management study, including development of a firearms qualifications program, holding regularly scheduled staff meetings, upgrading the evidence control system, and initiation of a cruiser maintenance program.

Fiscal austerity imposed by Proposition 2½ resulted, unfortunately, in the elimination of a significant number of Town and school positions through attrition and layoffs. Despite the reduced workforce, however, the Board is pleased to report that the Town was able to maintain its delivery of services with only minor inconveniences. The Board commends all department heads for their cooperation in coping with the difficult decisions which had to be made during the first year under 2½.

Respectfully submitted,
Harris M. Tredeau, Chairman
John A. Beccia, Jr.
Dino B. DeBartolomeis

REPORT OF THE INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen and the Citizens of Milford:

The following is a brief report of the animal inspections for Fiscal Year 1982:

All bovine animals in Town were inspected and found to be disease free. Sixty-five dog bites were investigated and the animals quarantined as required.

Respectfully submitted,
Leon J. Mael, Animal Inspector

REPORT OF THE BOARD OF ASSESSORS

To the Honorable Board of Selectmen and the Citizens of Milford:

The Assessor's Office has undergone considerable change in the past two years with the retirement of veteran assessor Paul Bruno (30 years service) and the loss of veteran assessor Donald Phillips (36 years service) and Rose DeSalvia, one of our experienced clerks.

In spite of all this, we were able to reorganize and carry on the work required of the Board of Assessors with the very capable Joseph Capuzziello and Joseph Niro, as well as our very experienced Assistant to the Assessor, Rita Abbondanza and Departmental Clerk, Irene Pederzoli.

The past year was the first in the past three years that our tax rate was set on time, therefore, making the receipt of taxes more timely, and minimizing the amount of cash borrowed by the Town Treasurer.

The Board of Assessors extends its appreciation to Town Counsel Gerald Moody, Executive Secretary Judith Sparrow, Town Accountant Michael Diorio, Tax Collector Robert Andreano and all other department personnel, and especially to our office staff for all the help and guidance given us during this past year.

Respectfully submitted,
Christopher C. Morcone, Chairman
Joseph E. Capuzziello, Clerk
Joseph F. Niro

REPORT OF THE BUILDING DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of the Town of Milford:

The following is the sixteenth annual report of the Building Department for the twelve month period from July 1, 1981 to July 1, 1982.

Breakdown report of permits and safety certificates issued:

Dwellings	28	\$ 1,498,544.00
Residential Renovations and Additions	150	798,941.00
Commercial and Industrial Renovations and Additions	22	221,300.00
Professional Buildings	2	600,000.00
Industrial Building	1	6,500,000.00
Church Renovation	1	310,000.00
Fences and Tennis Courts	15	27,195.00
Swimming Pools	41	182,870.00
Signs	23	29,359.00
Sheds, Green Houses, Towers and Cabanas	31	15,585.00
Chimneys	9	4,850.00
Dwelling/Duplex Occupancies	39	
Rooms, Units and Apartment Occupancies	24	
Commercial/Industrial Occupancies	17	
Home Occupations	13	
Solid Fuel Appliances	123	
Safety Certificates	106	
Estimated cost of construction (above the cost of land):		\$10,188,644.00
Amount collected and turned over to Town Treasurer for Building Permits and Safety Certificates:		\$ 29,529.00

Respectfully submitted,
Anthony F. DeLuca, Building Commissioner
Andrew T. Falconer, Local Inspector

REPORT OF THE TOWN CLERK

To the Honorable Board of Selectmen and the Citizens of Milford:

With the ending of fiscal 1982 I would like to take this opportunity to thank the members of the various

Boards and Town Departments for their help and co-operation during the past year. Special thanks is also extended to Assistant Town Clerk Anna M. Beyer and Departmental Clerk Celia E. Marengi for their able assistance in performing the many and varied duties and requirements of the Town Clerk's and Elections, Registrations and Town Meetings Departments.

Respectfully submitted,
Katherine E. Cullinan, Town Clerk

REPORT OF THE CONSERVATION COMMISSION

To the Honorable Board of Selectmen and Citizens of Milford:

It is the responsibility of the Conservation Commission to review development proposals to assess their impact on our wetlands resources and to insure that the significant functions wetlands perform are adequately protected.

This past year the Commission has been especially busy reviewing proposals for large scale development. The Commission has written orders of conditions for one large scale industrial park, reviewed preliminary plans for another, monitored the progress of Data General's new facility on Maple Street and conducted a series of public meetings relating to site development along Godfrey Brook for the proposed housing for the elderly project on West St. Lengthy orders of conditions were issued by the Commission.

Two projects contain innovative off-site provisions for water retentions. In the case of the motel proposed by Northside Development on Beaver Street, a flooding easement was obtained from an adjoining property holder, permitting full development of the site without detrimental increases in downstream flows. Orders of conditions for the proposed Forest Ridge Subdivision specify that a detention basin be built along the Ivy Brook, mitigating potential flooding not only from Forest Ridge but also from other sources impacting Ivy Brook.

The Commission was deeded Craddock-Clewes Pond, a generous donation by the Maspenock Rod and Gun Club. A ribbon-cutting ceremony attended by neighborhood residents, selectmen, and the Commission was held June 19th. It is our intent to maintain the pond as a passive recreation resource.

We also spent time reviewing and commenting on the Flood Hazard Maps developed by the Federal Emergency Management Agency. This data should prove to be a valuable asset to the community.

The Commission has always done its own on-site inspections. However, this past year, without the services of a full-time engineer available, the Commission's work load has been significantly increased. Members have spent hundreds of hours inspecting wetlands. We make note that John Parmentier, our consulting engineer from Dunn Engineering in Foxboro, has been, as always, extremely valuable to the Commission. He provides us the technical expertise that is essential to objective implementation of our responsibilities under state statute.

Respectfully submitted,
Verna Cahill, Chairperson
Jane Pollock
Nello Allegrezza
Kenneth Nigro
Robert DePaolo
Louis Espanet
Ren Pough

REPORT OF THE COUNCIL ON AGING

To the Honorable Board of Selectmen and Citizens of Milford:

The Council on Aging respectfully submits the following report for the fiscal year ending June 30, 1982.

The members of the Council on Aging during the year 1982 were as follows: Adam Diorio, Chairman; Clifton Tyler, Vice Chairman; Catherine Curtin, Treasurer; Emma Barry, Secretary; Joan Bagaglio, Jeannie Brattin, John Coronato, Mary Costantino, Mae Doherty, Martha Federici, Mary Goddard, Rita Mawn, Sophie Salvia, Dorothy Smethurst and Inez Stevenson.

The Council met monthly during the entire year, meeting on the second Tuesday of each month, at 10 a.m., at the Senior Citizen Center, continuing in an advisory and supportive capacity to our Activity Coordinator to the Elderly.

The year 1982 is a year which will be long remembered by the Milford Senior Citizens, and all the townspeople, as, after many years of trying, we have finally acquired a new Senior Citizen Center. Our Center offers a delightful setting for Milford Seniors to congregate, participate and enjoy themselves. A great deal of renovating work has to be done, and we hope it will be done in the very near future.

Much interest among the Milford Seniors is generating through our daily programming. We continue to show increases in all areas of service provided. Many thanks to our Council members for their dedication, effort, and contribution of their time and help, to make the Milford Senior Citizen Center a place of enjoyment for the elderly.

I am pleased to report that the Milford Council on Aging, through the combined efforts of all its members, have provided weekly bingo parties, crafts and exercise classes, pokeno games, cribbage, checkers, and many activities for both the men and women, blood pressure clinics, diabetes clinics, and glaucoma clinics, as well as many other health programs; also monthly day trips, and also over-night trips, plus grocery shopping bus, bowling, para-legal services and dental clinic.

The Council is also sponsoring the Vial of Life Program, which is being offered to all Milford Senior Citizens, as well as to the handicapped and those living alone. We also have information, referral services, and outreach services, as well as Notary Public, fuel assistance and weatherization, I.D. cards, and the monthly Newsletter (The Elder Milfordian News), which is distributed to fifteen hundred individuals.

May was designated as Senior Citizen month, and an open house was held to observe the occasion, with one hundred and fifty attending at the new Center.

The Craft ladies held a very successful bake sale, as a fund raising function.

Various members also attend many meetings, such as: Blackstone Valley Elder Consortium, Blackstone Valley Advisory Council to Elderly Home Care Corporation of Southern Worcester County, Inc. of which Clifton Tyler is Chairman, Central Massachusetts Association of Councils on Aging (CMACA), Region II Area Agency on Aging, of which Adam Diorio is a member of the Board. Council members also attend workshops and classes of various kinds. Emma Barry, Jeannie Brattin, Sophie Salvia and Clifton Tyler attended many workshops on the Fuel Assistance Program, and worked on filing applications at the Center.

The Mini-bus has been responsible for increased transportation to the nutrition program, and medical appointments.

The Council express thanks to the Honorable Board of Selectmen, Executive Secretary Judith Sparrow, Albert Inglesi, for his excellent custodial service, and to other town departments for their cooperation during the fiscal year ending June 30, 1982.

Respectfully submitted,
Adam Diorio, Chairman
Emma F. Barry, Secretary
Catherine E. Curtin, Treasurer

REPORT OF THE EXECUTIVE SECRETARY

To the Honorable Board of Selectmen and Citizens of Milford:

During fiscal year 1982 the new "Parking Law" took effect, whereby the responsibility for administering the collection of non-moving parking violations was transferred from the courts to Town Hall. In anticipation of the changeover, this office set up a locked-box system with a local bank to handle mail-in payments and with the Selectmen's approval, contracted with a computer service to log and track all tickets issued, including the scheduling of parking hearings. The format of the parking ticket itself was updated, and new parking fines were instituted by the Board of Selectmen in line with fees charged in surrounding communities.

This office also worked with the Concil-on-Aging in submitting a successful grant application to the Executive Office of Transportation for a new 12 passenger van with a wheelchair lift. The van will be used to transport elders and handicapped persons by appointment to destinations such as the hot lunch program and Milford Hospital. The new van is expected to arrive in the spring of 1983.

The cooperation extended to this office during the past year is gratefully acknowledged, particularly in view of the often difficult decisions which had to be implemented under Proposition 2½.

Respectfully submitted,
Judith T. Sparrow
Executive Secretary

REPORT OF THE BOARD OF HEALTH

The Board of Health would like to take this opportunity to present a brief summary of their many activities in the public health field, to the citizens of Milford.

FOOD PROTECTION

Our Health Officer inspects almost 100 food service establishments which include restaurants, retail food stores, catering establishments, bakeries, and institutional facilities twice each year. Each restaurant is graded according to inspection reports and published in the newspaper for public review.

NURSING SERVICES

The Board continues to contract with the Visiting Nurse Association to provide a total nursing service program. The contract provides therapeutic home health

services to those patients in the Town insured by the Medicare, Medicaid and private health insurance programs. The Agency also provides the following:

- a. Therapeutic services to individuals who elect to pay privately on a sliding fee scale;
- b. a limited number of free nursing visits;
- c. a clinic program, such as Well Child Clinics, Elderly Clinics, Influenza Clinics, Free Pre-School Immunizations Clinics and a Parochial School Nursing Program.

SOLID WASTE MANAGEMENT

The Board of Health is the administrative agency for solid waste collection and disposal services for the Town of Milford. The Board voted unanimously this year, to extend the contract with the Reddish Disposal Services of Needham for two more years at a substantial savings to the Town. In July, the Board opened the new Transfer Facility on Cedar St. which has been under design and construction for the past two years. Future plans in this area include more progress toward the closing of the former sanitary landfill.

CHOKE SAVING SEMINAR

The Board of Health sponsored a choke-saving clinic conducted by Lt. John Hennessy of the Milford Fire Department. The clinic was attended by close to 100 people who are employed in local food service establishments.

RABIES CLINIC

The Board sponsored a rabies clinic conducted by Dr. Richard Heller DVM. in April. The Board urges residents to take advantage of this worthwhile service.

WATER TESTING

Health Officer Paul Mazzuchelli continues to perform bacteria tests on drinking and surface water. This is available to private citizens at a minimal fee.

DENTAL CARE

The Board provides a dental care program to the children from Kindergarten through Grade six in both public and parochial schools.

Mrs. Karen Campos, Hygienist, screens the children for problems and conducts a Fluoride Rinse Program which has become very successful this past year.

MOSQUITO CONTROL PROGRAM

The Board of Health again this past year provided a Mosquito Control Program of their own as well as being assisted by the Central Mass. Mosquito Control Project.

The Board has sprayed every section of town at least two times during the Spring and Summer season. This program has been quite successful in the controlling of adult mosquitoes.

In the future, the Board promises to continue these important services and looks forward to instituting additional services for the citizens of Milford.

Gerald Hennessy, Chairman
J. Fred Power
Kenneth C. Evans
Paul Mazzuchelli, Health Officer

REPORT OF THE HIGHWAY DEPARTMENT

To the Honorable Board of Selectmen and Citizens of Milford:

I wish to thank the Honorable Board of Selectmen and all other town departments for their cooperation and good will during the past year.

A special thanks to all the members of my department for their cooperation and help in making the 1982 fiscal year a successful one.

The Highway Department worked its way thru a very severe winter and in spite of limited funds because of Proposition 2½ we were able to keep roads open and safe. We plowed and sanded as usual but we did not pick up as much snow as we did in the past. The cost of removing the snow has risen so high that we had to cust most of it out.

We reconstructed and relocated a portion of Maple St. This project took the better part of summer and fall to complete. We did 4800' of roadway.

Our general maintenance work continued as usual. We patched, cleaned basins, hot topped various sections of roadways, swept, repaired equipment, cut brush, cleaned debris from roadsides and brooks, repaired walls at various brook locations, replaced Street and Square signs where necessary, painted crosswalks and assisted all Town Departments whenever necessary.

We resurfaced the following streets with Mc800 asphalt and sand cover:

So. Cedar St.
So. Cemetery St.
Archer St.
Central St. - from Beaver - 3,300' Easterly Direction
Mt. Pleasant St. - 275' from Woodland Ave. to end
Alden St. - From Central St. - 373' to New England
Tel. Pole #3
Woodland Ave.
Rogers St.
Manella Ave.
Parkhurst St.
Cook St.
Plain St.
Jackson St.
Reade St.

Churchill St.
So. Free St.
Dominick St.
Middleton St.
Cabot Rd.
Adams Rd.
Bay Rd.
Birch St.
Sumner St. - from Glines Ave. to Birmingham Ct.
- 1715'
Vickie Lane
Whitney St.
Columbus Ave.

We corrected drainage problems on the following streets:

Rose Lane
Paula Rd.
Jionzo Rd.
Manella Ave.

We resurfaced East Wood Street with Type I Bituminous Concrete.

Respectfully submitted,
Ronald F. Speroni, Highway Surveyor

REPORT OF THE HISTORICAL COMMISSION

To the Honorable Board of Selectmen and Citizens of Milford:

The Milford Historical Commission is continuing to restore the Brick Schoolhouse on Purchase Street. We held a yard sale in the fall of 1981 and were able to have shutters made and buy the windows to replace all the broken ones.

During the year, we completed an inventory on all Commission pictures, slides and negatives totaling about 3,000. We also completed several home inventories. and the inventory of the Main Street for the Massachusetts Historical Commission. The Commission is presently starting an oral history of the town from senior citizens.

The Commission collected all the Milford By-Laws for Gerald Moody from 1924 to 1982 helping to compile an updated book on the By-Laws.

Respectfully submitted,
Robert M. Andreola, Chairman
Dr. James Buckley
Rosemond Cooper
Marilyn Lovell, Secretary
Dr. Ronald Longobardi
Robert Samiagio, Treasurer

REPORT OF THE GERIATRIC AUTHORITY OF MILFORD

To the Honorable Board of Selectmen and Citizens of Milford:

The Milford Public Medical Home was converted to the Geriatric Authority of Milford, being voted by Town Meeting Members at the annual Town Meeting.

Through the efforts of Lous Bertonazzi, Marie Parente and local officials, Legislation was passed by the House of Representatives and Senate and signed by Gov. King on May 20, 1982.

The seven trustee members of the Milford Public Medical Home were appointed to serve as Authority members which is chaired by Fred Besozzi, Vice Chairman, Emilio Pighetti, Secretary, Lawrence Catusi, Treasurer, Bernard Keenan. Additional members are Beverly Davis, John Alberta and Anthony Grillo.

Respectfully submitted,
Michael R. Smith, LNHA, Administrator

REPORT OF THE PLANNING ASSISTANT

To the Honorable Board of Selectmen and Citizens of Milford:

The following report is submitted for the fiscal year ending June 30, 1982.

This office continues to be involved in major planning issues affecting Milford with particular emphasis on industrial/economic development, residential land use, and commercial revitalization.

In order to further Milford's downtown revitalization activity and to provide needed additional parking for downtown shoppers and employees this office prepared for the Selectmen and the Redevelopment Authority a grant application to fund 70% of the cost of an off-street parking facility or \$490,000. The "Parking Deck", to be located between Pine and Fayette Streets has just received its 70% share from the Massachusetts Dept. of Administration and Finance. This office is attempting to procure the remaining 30% cost of the deck so that it can be built at no cost to the town.

To further leverage and facilitate continued industrial development in the Bear Hill area of Milford, this office

successfully applied for and received \$450,000 from the Executive Office of Transportation and Construction to fully finance the design and construction of a 3200 foot industrial access road from Route 109 to Beaver Street.

In the area of residential development this office has prepared for the Planning Board an entirely new and revised Subdivision Rules and Regulations which hopefully will be finally approved, after fine tuning, this next fiscal year. The existing Rules governing subdivisions were adopted in 1965. In the coming year this office will be preparing for the Planning Board a Cluster By-Law as part of the Zoning By-Law which will allow a more flexible and cost efficient style of homebuilding in Milford.

I look forward to a continued effort of comprehensive planning in the major growth area affecting Milford: industry, the commercial sector, and housing. I would like to express my appreciation to all Boards, Department heads and staff, and the citizens of Milford for their cooperation and support.

Respectfully submitted,
Martin Goldstein, Planning Assistant

REPORT OF THE PLUMBING INSPECTOR

To the Honorable Board of Selectmen and Citizens of the Town of Milford:

I herewith submit my report for the fiscal year ending June 30, 1982.

The following is a breakdown report of the permits issued during the year:

Total Permits Issued	442
New Homes	47
Water Heaters	118
Boiler Connections & Water Heaters	48
Boiler Connections	22
Tankless Heaters	4
New Commercial Building	2
Renovations	128
Fixture Replacements	43
Sewer Connections	5
Repairs	20
Boiler Connections & Tankless Heaters	5
Amount Collected from Permits, Additional Inspections & Fixtures	\$8,549.00

Respectfully submitted,
Savino N. Mele, Plumbing Inspector

REPORT OF THE PLANNING BOARD

To the Honorable Board of Selectmen and Citizens of Milford:

The Planning Board's fiscal year has been one which demanded extensive time and effort of its members. We worked diligently with all proponents of industrial development and made ourselves available beyond our regularly scheduled meetings to resolve countless details.

Similar efforts were expended in working closely with developers of residential land and the Board has pursued the completion of existing subdivisions.

A proposal to construct 80 units of housing for the elderly resulted in repeated and amended public hearings requested by the applicants, from re-zoning proposals through the Special Permit process. The final proposal for construction of 56 units on the West Street property of Dominic Blasio was unanimously granted a Special Permit on May 18, 1982.

Two subdivisions were approved: Conte Circle, 4 lots and Forest Ridge Estates, 39 lots.

The Board reviewed numerous applications for Variances and Special Permits for recommendations to the Zoning Board of Appeals and conducted many public hearings relating to Site Plan Review.

We have initiated a review of the current Rules and Regulation adopted in 1965 pertaining to the subdivision of land in the town. A revised draft copy compiled by our Planning Assistant and Engineering Consultant will necessitate extensive evaluation and discussion at special meetings in the next fiscal term.

Your Planning Board will continue to work with dedication and diligence for the best interest of the Town and all its inhabitants now and in the future.

Respectfully submitted,
John B. Tessicini, Chairman
Seena Heller, Secretary
James D. Griffith
Joseph A. Ciaramicoli
Michael T. Parente

REPORT OF THE POLICE DEPARTMENT

To the Honorable Board of Selectmen and Citizens of Milford:

The following is a report of the activities of your Police Department during FY 1981 - 1982.

It should also be reported that we are striving to implement the recommendations found in the survey done of the Department over a year ago.

Again I wish to thank all Town Officials, Department Heads and all others for their cooperation throughout the year.

John J. McGrath, Chief of Police

REPORT OF THE SCHOOL DEPARTMENT

To the Honorable Board of Selectmen and Citizens of
Milford:

The School Department submits the following report for the fiscal year ending June 30, 1982.

The 1982 school year closed for the first time in several years with the School Department returning money to the Town. Although in dollars the amount was not significant (\$66.31), it certainly demonstrates the School Committee's and Central Office's commitment to work within the confines of its budget.

In a somewhat related matter the School Committee has spent many hours and a great deal of effort to cut the energy costs related to the schools and has put into place an energy management system which will not only monitor the energy used but also a system which is designed to preventatively maintain the school system in a cost-effective manner.

On March 15, 1982, Superintendent James J. Buckley submitted his resignation to the School Committee, effective August 1, 1982, after having served the Town of Milford as Superintendent for eleven years. The School Committee has created a Superintendent's Search Committee hoping to find a qualified candidate to serve as Superintendent for the beginning of the 1982-83 school year.

The seven-member School Committee deserve, both individually and collectively, the thanks of all of us for their continued interest to the needs of the children of Milford throughout 1981-82.

Respectfully submitted
Ronald F. Santacroce, Chairman
Dr. Ronald P. Longobardi,
Acting Superintendent of Schools

REPORT OF THE MILFORD COMMUNITY SCHOOL USE PROGRAM

To the Honorable Board of Selectmen and Citizens of
Milford:

Having completed our eighth year, the Community Program is still committed to providing the best educational, recreational, and cultural programs for our residents. This past year, however, was probably our most successful, despite the impact of Proposition 2½. With the severe budget restrictions, our programs were made self-sufficient with the application of a moderate fee schedule.

I am pleased to report that our Adult Education program was now able to go beyond self-sufficiency and that the Theatre Guild and Community Chorus again provided superb performances. Our recreational programs, including adult and children's leagues, Special Needs programs, summer programs, etc., were all well attended. Hopefully, our residents were pleased.

I would like to extend my appreciation to the School Committee, the Superintendent of Schools, the Milford School System, and the many other town boards and agencies for their continued support and cooperation.

Finally, I extend my thanks to the eighteen member Community Use Committee for their continuous devotion

and efforts in seeking to provide a comprehensive and enjoyable program for all of our residents.

Respectfully submitted,
Louis J. Celozzi, Director
Milford Community School Use Program

REPORT OF THE SEALER OF WEIGHTS & MEASURES

To the Honorable Board of Selectmen and Citizens of Milford:

I submit my report as Sealer of Weights and Measures for the period of July 1, 1981 to June 30, 1982.

In compliance with the provision of M.G.L. Chapter 98 Section 41 as amended, I notified all persons that scales, pumps and measuring devices for the purpose of buying and selling goods are to be tested, adjusted, and, if need be, sealed. I then inspected all places of business in the Town of Milford.

Sealing fees are turned over to the Town Treasurer.

I wish to thank the Honorable Board of Selectmen and the public for their cooperation during the past year.

Respectfully submitted,
Ernest M. Panorese, Sealer of Weights & Measures

REPORT OF THE SEWER COMMISSION

To the Honorable Board of Selectmen and Citizens of Milford:

1982-83 has been a banner year for the Sewer Department. We have, after almost ten years of planning received final approval to begin the re-construction of the Waste-Water Treatment Plant. We have been successful in obtaining grants that will cover almost 92% of the cost of this project. We expect to put this project out to bid in January and the construction will take about thirty six months to complete.

We have also been successful in obtaining additional grants to begin rehabilitation work that will correct some major Inflow-Infiltration problems that have existed in the system for many years. This work will also begin this spring.

The availability of public sewer is a major factor in attracting industry to our town. We have seen this from past experience, and we are proud that our efforts have played a key role in attracting new industry and we will continue to do so in the future.

Board of Sewer Commissioners
John E. Bird, Chairman
Joseph L. DeLuca, Commissioner
James V. Melanson, Commissioner

REPORT OF THE COLLECTOR OF TAXES

To the Honorable Board of Selectmen and Citizens of Milford:

The Office of the Collector of Taxes submits the following report for the fiscal year ending June 30, 1982.

I would like to take this opportunity to thank all Town Departments and Boards and especially my staff for their cooperation during the past year.

The Tax Collector is happy to report that property tax collections for the fiscal year ending June 30, 1982 showed only 7% outstanding as compared to 12½% for the previous year.

A balance sheet may be found on page 35.

Respectfully submitted,
Robert J. Andreano, Collector of Taxes

REPORT OF THE TRUSTEES OF VERNON GROVE CEMETERY

To the Honorable Board of Selectmen and Citizens of Milford:

The Trustees of the Vernon Grove Cemetery submit the following report for the fiscal year ending June 30, 1982:

Sale of lots total 14 graves for this year, and Interments total 33.

This year we were saddened by the death of our secretary, Ernest J. Bilsbury. He will be missed greatly.

A meeting was called after the April 1982 Town Meeting and Steven Arioli was elected Chairman once more and William R. Crivello Jr. was elected Secretary.

Respectfully submitted,
Stephen Arioli, Chairman
William R. Crivello, Secretary
Board of Trustees
Dwight Watson
Arthur Arcudi
Matthew Deloia
Michael Rago

REPORT OF THE MILFORD TOWN LIBRARY

To the Honorable Board of Selectmen and Citizens of Milford:

Conversion of the book Catalogue to the Dewey Decimal System continued at a steady pace during the past year. Work on the project, undertaken in July of 1980, is being accomplished by the library staff in addition to performing their normal library duties.

Since the project began, 21,390 volumes have been processed. It is estimated that completion of the project will take another two years. The Dewey Decimal System is the standard method of cataloguing books, and, upon completion, will bring the Milford Town Library into the main stream of Cataloguing systems.

During the past year 112,052 books and periodicals were circulated; 1,501 books were purchased, and 1,609 books were discarded. 789 new patrons registered during the year.

A special thanks to staff members of the Central Massachusetts Regional Library System for their assistance given to the staff in setting up the Dewey Project.

Board of Library Trustees
William Fertitta, Chairman
Mary Ann Desena, Secretary
Paul Curran
Dr. Ronald Longobardi
Emilio A. Pighetti
Paul F. Raftery

REPORT OF THE TOWN ACCOUNTANT

To the Honorable Board of Selectmen and Citizens of Milford:

In accordance with the provisions of M.G.L. Chapter 41, Section 61, I submit the following Financial Statements of the Town of Milford for the Fiscal Year ended June 30, 1982.

Balance sheet as of June 30, 1982
Receipts for the year ended June 30, 1982
Appropriations and Expenditures for the year ended June 30, 1982
Statement of Long-Term Debt as of June 30, 1982

This past Fiscal Year has been noteworthy for two reasons. First, the Town of Milford was one of the pilot communities to convert to the new Uniform Municipal Accounting System. This new system, which will eventu-

ally be mandatory for all cities and town, is substantially different from the old system which was adopted in the 1920's.

Second, I have submitted my resignation to the Board of Selectmen to be effective at the completion of the financial audit later this year. For the past five years, it has been my pleasure to serve the Town of Milford as Town Accountant. I have thoroughly enjoyed the professional challenges posed during these years. The 4% Tax Cap; Proposition 2½; conversion of the Town's books to the New Uniform Municipal Accounting System and revision of the budget process have been a few of these challenges.

At this time I would like to take this opportunity to thank all Town Officials and employees for their cooperation during my tenure as Town Accountant.

Respectfully submitted,
Michael A. Diorio
Town Accountant

REPORT OF THE TOWN TREASURER
